

## **SPECIFICATIONS FOR ARCHIVE COPIES**

### **Please ensure:**

1. Audio, video and subtitles must be contained in a single file and the file size should not exceed 10 GB.
2. Please submit HD material in the MP4 format (H.264, AAC, Stereo).
3. Please encode your video data with a constant bitrate and either 24, 25 or 30 progressive frames per second.
4. To ensure a high technical quality, the following settings for file compression are suggested:

<b>Size / aspect ratio</b>	<b>Video codec / min. bit rate</b>	<b>Audio codec / min. bit rate</b>
1920 x 1080 px / 16:9 HD	H.264 high profile 5.000 - 10.000 Kbit/s	AAC / 320 Kbit/s sampling rate 48 kHz

5. All screening material for selection should be submitted to 'Dział Kreatywny' at Warsaw Film School.

Thank you for your cooperation!
